

Turnaround Webinar Notes: Part I

Guiding questions:

- Does our ESC Turnaround Team have a framework to organize the services we provide to AU and Pre-AU schools?
- Does our ESC Turnaround Team have a blueprint to help schools initiate, organize, prioritize, and implement turnaround strategies?
- Can our team identify schools that are significantly better prepared than others to use their AU/Pre-AU status as a springboard to deeper, transformational change?

In this presentation I will learn: :

- A framework for ESC turnaround team's technical support to AU and Pre-AU schools
- A blueprint for AU and Pre-AU schools to use in planning and implementing school turnaround
- Ideas regarding more intensive services to provide to schools that are ready to engage in transformational change

My notes on what I learned:

My notes during the presentation:

Questions and thoughts about my notes:

Turnaround Webinar Notes: Part II

How I will implement what I learned:

Question for my team to discuss after the presentation:

- How does the information and tools provided by Mass Insight align with what our team is already doing?
- How can we immediately use the information and tools Mass Insight provided?

Our ESC Turnaround Team's plans:
